

Pupil Premium Statement 2017-2018

The pupil premium is allocated to schools for;

- **Children of statutory school age from low income families who are known to be eligible for free school meals (FSM)**
- **Children who have been looked after continuously for more than six months**
- **Children whose parents are currently working in the armed forces**

The level of pupil premium is £1320 per pupil.

The DFE offer the following guidance;

In most cases the Pupil Premium is allocated to schools and is clearly identifiable. It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

However they also state that;

Schools are free to spend Pupil Premium as they see fit. However they will be held accountable for how they have used additional funding to support pupils from low income families.

The purpose of this statement is to effectively plan the way the pupil premium money will be spent over the year and enable us to inform parents, carers and governors of the impact it has on outcomes for pupils.

Pupil Premium Statement 2017-2018

Academic Year	2017-18	Total PP budget	£174,120
Total number of pupils	439	Number of pupils eligible for PP	126
Lead member of staff	Rachel Clegg	Lead governor	Eileen Prince

1. 2017 Outcomes attainment (end of last academic year)

		<i>Pupils eligible for PP (your school)</i>	<i>Pupils not eligible for PP (national average)</i>
Year 6 -	77 % achieving expected in reading, writing & maths	77%	60%
Year 2 -	35 % achieving expected in reading, writing & maths	53%	63%
Year 1 -	84 % expected standard in phonic check	82%	81%
EYFS -	51 % GLD	40%	69%

2. Barriers to future attainment (for pupils eligible for PP)

Pupil Premium Statement 2017-2018

In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Oral language skills in Foundation are lower for pupils eligible for PP than for other pupils. This slows reading and writing progress in subsequent years. Children enter F2 with starting points well below their peers.
B.	Poor Behaviour and attitudes to learning. Some pupils do not always arrive ready for learning – hunger/ emotional/social well-being difficulties have a detrimental effect on academic progress.
C.	Identified SEND need.
D.	Some higher ability pupils who are eligible for PP are making less progress than other higher ability pupils across KS1. This prevents sustained achievement in KS2.
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)	
E.	Poor health – lack of access to medical, dentistry etc. and impact of poor diet.
F.	Lack of exposure to cultural/ extra curricular experiences and understanding of the World
G.	Limited or no access/ exposure to ICT/Internet at home – limits pupils’ experience of ICT/Programming and resources to support learning at home.
H.	Attendance – if left unsupported many vulnerable PP pupils would be in danger of becoming non-attenders, reducing school hours causing them to fall behind on average.
